Dear Parent/Carer

We would like to invite your child to participate in our Children's University Programme aimed at children and their parents in Years 7, 8 and 9. We have previously run this programme very successfully at Wednesfield Academy and think your child would really benefit from and thoroughly enjoy this opportunity.

This enrichment programme allows children to engage in enrichment both inside and outside of school and your child will have the chance to participate until the end of Year 9. The aim of the programme is to encourage students to participate in enrichment activities developing valuable skills and knowledge. Every time they participate, they will collect credits towards rewards.

Please note that the programme of enrichment activities is funded and you will not be required to make a contribution towards costs. There is however a small charge for the Children's University passport of £3.00; this will need to be paid to the academy. The Children's University passport will allow your child to gain accreditation in recognition of all of their hard work in the form of certificates and graduation ceremonies, which will be held at the University of Wolverhampton upon completion of each of the award levels. The three levels of award are bronze, silver and gold.

If your child would like to participate in the Children's University experience, please return the attached form for the attention of Mrs Coley by Friday, 17 February 2023.

If you have any questions regarding the Children's University programme or queries about filling in the form please contact Mr David, KS3 Academic Leader at Ldavid@wednesfield.uwmat.co.uk.

Yours faithfully

Mrs R Beazley
Deputy Headteacher
