Dear Parent/Carer

We wish to inform you that a revised report for the spring term for your son/daughter will be sent to you today via the MCAS app.

The academy is now using the Fisher Family Trust (FFT) Aspire to generate all KS4 target grades. These FFT grades will replace the target grades that were issued on previous reports and may have resulted in a change of target for some subjects for your child. You can find out more information by visiting the FFT website <https://fft.org.uk/about-fft/>.

FFT calculates estimates from the Value-Added score of pupils in the previous year's results datasets. Each student has a unique set of estimates which are calculated from the results and Value-Added scores of pupils with similar entry grades from the child's prior attainment from their primary school Key Stage assessments.

Should you have any questions regarding the above, please email enquiries@wednesfieldacademy.co.uk or call 01902 558222 and ask to speak to Mrs Beazley (Deputy Headteacher).

Yours faithfully

Mr J Phillips
Acting Headteacher
