Dear Parent/Carer

At Wednesfield Academy we are fully committed to supporting your child's future aspirations. An important element of this is the careers education your child receives from when they first join us in Year 7 all the way through to when they move onto other destinations either at the end of Year 11 or Year 13.

Our careers provision is an area of growth in the school, and we are very proud of the developmental work that has taken place this year including the introduction of Take Your Child to Work Day for Year 9 as well as the creation of a Wednesfield Alumni. Pupils have been able to access a range of external speakers to help support their understanding of careers and their future choices and we are looking for your help in improving this even further.

We are looking to encourage as many parents/carers as possible to support with our careers provision next academic year. If you can support in anyway either through delivering an assembly or small group presentation focusing on your career and your career journey, perhaps provide resources to support with the delivery of our careers programme or could perhaps offer work experience placements, we'd love to hear from you.

Please complete the survey below to register your interest either by scanning the QR code or clicking the link.

[Microsoft Forms](#)

Thank you in advance for your support in widening the opportunities we can provide within the school and if you have any queries please contact Mrs Hayward (Assistant Headteacher) by calling 01902 558222 or emailing postbox@wednesfieldacademy.co.uk.

Yours faithfully

Mr Phillips
