Our Ref JP/AH/RMO

14th July 2023

Dear Parent/Carer

Please be advised that your child's report for the summer term is being sent to you via the MCAS app today.

This report provides you with an overview about how well your child is progressing in all subjects.

You are receiving:

- A predicted grade for the end of Year 11
- Mocks results that apply to specific subjects
- An attitude to learning grade
- Current attendance levels

This is now a crucial time; together we must ensure your child is ready and prepared for the next set of mock examinations that take place in the Autumn Term of Year 11.

Should you have any queries about the report or wish to discuss the progress your son/daughter is making, please could you contact our enquiries email at postpox@wednesfieldacademy.co.uk

Should you wish to keep an electronic copy of your child's report, please download this to your device, as the reports will only be available on the MCAS app for a limited period of time.

Yours faithfully

Mr Phillips
Headteacher
