

Geography Curriculum Overview

Curriculum intent: In the Geography department we strive to create global citizens who are knowledgeable enough to make informed decisions and confident enough to verbalise our own views coherently.

Curriculum rationale: The Geography curriculum allows us to investigate the world around us by looking at different places, cultures, and landscapes. We are able to consider our own place in the world and learn skills that will benefit us in our future careers.

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Year 7	What is Geography?	The UK Jigsaw	Development and Population	Deserts and Desertification	Africa	Rainforests and Deforestation
