Friday 10th November		1.00pm		

### JCQ Examination Regulations

The mock examinations are conducted under the **JCQ Examination Regulations**. To support your child to be familiar with and understand these regulations, please below the link to the **JCQ information for Candidates Written Examinations 2023-23**.

[Information for candidates documents - JCQ Joint Council for Qualifications](#)

It is essential that pupils do read these and adhere to them during the mock examinations. Breach of these regulations during an externally set examination can lead to disqualification for the pupil.

The following items are banned from examinations: mobile phones, all watches including smart watches and tablets. Pupils will be reported to the examination board if they have any of these items with them and this is likely to lead to disqualification. It may be worth pupils leaving their watches at home on the days of mock examinations. Additionally, it may be pertinent for sixth formers if they bring their phones into school to leave their mobile with a trusted friend during the times of examinations.

Pupils will need to bring the following equipment into mock examinations:

- Black Ball Point Pen x2
- Pencil
- Ruler
- Rubber
- Calculator, where required
- Protractor, where required
- Compass, where required

If pupils wish to store these in a pencil case, it must be a transparent pencil case containing no writing.

Pupils are allowed to bring a bottle of water into the examination, but this must be in a clear bottle with any labels removed.

### Topic Lists/Specifications

Mr Hill (Assistant Headteacher) sent all Year 11 and Year 13 pupils an email with links to their topic lists and examination specifications last week in preparation for the upcoming mock examinations. If there are any issues with your email account, please speak to our ICT support team as soon as possible.

### Period 6

A reminder to all that pupils are expected to attend the intervention that has been put in place for them by their class teachers. This is additional time to support them meet their target grades. After half-term the additional Period 6 schedule will be changing to focus on BTEC subjects and other subjects, helping pupils meet their assessment deadlines to the highest standard.

If you have any queries, please do not hesitate to contact Mr Hill by emailing [postbox@wednesfieldacademy.co.uk](mailto:postbox@wednesfieldacademy.co.uk) or by calling 01902 558222.

Yours faithfully

Mr Phillips  
Headteacher
