Dear Parent/Carer

Re: GCSE Revision Guides

For your child to thrive on examination courses, it is essential to use the correct revision guides. These will vary from subject to subject and are shown in the table below. We know some of these resources are expensive, but please be assured that your child's teachers have thought carefully about which resources are best. As a school we are able to offer revision guides at a reduced cost.

If your child is entitled to pupil premium, they will be issued with revision guides for their subjects free of charge so there is no need to place an order.

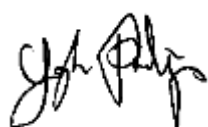

Should you wish to purchase revision guides, please make payment on the WeDuc app. Your child needs to take a copy of the receipt to their subject teachers and will be given the revision guides. Please contact your child's house office if you have any questions.
