Dear Parent/Carer

Year 11 Report Letter

Please note that your child's first report for the 23/24 academic year is being sent to you via the WeDuc app today.

This report provides you with an overview about your child's attitude to learning broken down into effort, approach to learning and homework.

You are also receiving the following information:

Baseline Grade	This is the grade your child is expected to achieve based on their KS2 SATs data; we use an application called the 'Fisher Family Trust' (FFT) to help us produce this grade.
Mock Exam Result	This is the grade your child received in their recent mock exams. If this is blank it is either because your child did not complete a mock paper in this subject or there was no mock required for this subject.
Mock Exam Percentage	This is the raw percentage score your child received each subject. If this is blank it is either because your child did not complete a mock paper in this subject or there was no mock required for this subject.
End of Year 11 Predicted Grade	This is the grade your child's teacher believes they will be awarded at the end of Year 11 if they continue their current progress path.

We have also shared your child's reading age on this report, and your child's reading age should be in line with their current age. If it is not, then it means they are behind in their reading ability. If this ready age is blank, it means we are due to test your child again soon to update this information.

It is vital you and your child understand the importance of this information.

If you have any queries, please do not hesitate to contact postbox via email postbox@wednesfieldacademy.co.uk or contact the school by calling 01902 558222.

Yours faithfully

Mr Phillips
Headteacher

Mr Hill
Assistant Headteacher
