16<sup>th</sup> January 2024

Dear Parent/Carer

As we enter the spring term of the academic year, I wanted to share some important updates regarding your child's future and the support that will be put in place over the coming months, to help prepare them for their examinations in the summer of 2024.

### **Return of Period 6**

From Monday 15<sup>th</sup> January 2024 our Period 6 intervention programme will return with staff putting additional sessions on for pupils (3.00–4.00pm). These sessions are an expectation; all pupils must attend all sessions that are put on for them. Pupils have been selected for specific days after school; they have been provided with their Period 6 information from their form tutor and this will be written in their planners.

### **Mock Examinations**

The Year 11/13 mock examinations are scheduled to begin on Thursday 8<sup>th</sup> February 2024. This will be the final time pupils will have opportunity to sit formal examinations before the real examinations in the summer of 2024. Therefore, it is vital all pupils and parents/carers have read the JCQ regulations below, which must always be adhered to:

<https://www.jcq.org.uk/wp-content/uploads/2023/08/IFC-Written Examinations Sep2023 FINAL.pdf>

Once these mock examinations have been completed, teachers will mark these papers. Pupils can expect to receive their results during a results afternoon on Thursday 21<sup>st</sup> March 2024. Please be advised that in line with Government guidance, all mock papers from this series must be retained by the school, although pupils will have a chance to look at their papers in lessons.

Pupils have received topic lists for the below examinations over email by Mr Hill (Assistant Headteacher), but this will be re-sent again this week. Please ask your child about this topic lists; it was produced for them to help support them with their mock examination preparations. These questions in the mock papers will be based on all topics on their courses.
