22nd January 2024

Dear Parent/Carer

The following letter offers support for your child's Maths revision. Please contact Miss Poynton (Director of Learning for Maths) by emailing postbox@wednesfieldacademy.co.uk.

Sparx Maths

All mathematics homework is set on a Friday afternoon and is due a week later, unless your child's teacher has brought this deadline forward.

Your child **MUST** complete their homework every week as this acts as part of their revision and preparation for upcoming assessments and mock GCSE examinations at the end of the school year.

Extra-Curricular Mathematics at School

Your child is invited to attend Paper Society after school on Thursdays in S135. This club will run from 3.00 to 4.00pm each week to give them an hour of supported revision using examination papers to help develop their examination technique.

Mr Morely Maths

Mr Morely Maths (link below) is a really good online resource that your child can use to work independently on topics that they have identified as their targets from unit tests and end of term assessments. In the "Search by Topic" section they will find help videos, exam questions and mark schemes.

Tik Tok Maths Intervention and Examination Practice

Every Thursday Night Hannah Kettle will be live on Tik Tok doing Mathematics revision for KS4 students going through examination questions. We recommend that pupils get involved with this.

Foundation is 7.00 - 7.45pm

Higher is 7.45 - 8.30pm

Online Examination Practice

Your child can complete topic boosters or online examination papers via a website called OnMaths, this is a really effective way of improving their examination technique online.

Finally, it is important that your child brings the right equipment to school, including a scientific calculator. Regular use of this equipment will really support them when preparing for examinations. If there are any issues purchasing a scientific calculator then please contact your child's Head of House by calling the school on 01902-558222, or emailing postbox@wednesfieldacademy.co.uk.

Yours faithfully

Mr Phillips
