Dear Parent/Carer

I hope this email finds you well. At Wednesfield Academy, we are dedicated to providing a nurturing environment that supports the holistic development of our pupils. As part of our ongoing efforts to recognise and celebrate the diverse talents and contributions of our pupils, we are conducting a short survey to gather information about their talents and volunteering activities.

Your participation in this survey is invaluable as it will help us gain a comprehensive understanding of the talents and interests of our pupils, which in turn will enable us to provide more tailored support and opportunities for their growth and development.

The survey is short and should take no more than five minutes to complete. All data collected will be treated with confidentiality and will only be used within the school for the purpose of recognising the talents of our pupils and providing opportunities within the Personal Development curriculum.

Please click on the following link to access the survey:
