7th March 2024

Dear Year 6 Pupil

I am delighted to welcome you to study at Wednesfield Academy from September 2024. This is a school that puts the child at everything we do and will ensure that you will receive an exceptional education throughout the next five years and beyond.

I know that primary school pupils sometimes have worries about moving to a large secondary school, I do not want you to worry and if there are any questions that you have, please ask your parents to email **Mrs Beazley, Deputy Headteacher who co-ordinates the transition for Year 6 pupils into our school at postbox@wednesfieldacademy.co.uk.**

As the time comes closer for you to start at Wednesfield Academy, the school will organise various transition activities as well as some opportunities for you to visit us and discuss what will happen when you eventually start in September 2024.

When you arrive in September you will be allocated to a Year 7 Tutor Group in one of our four Houses. Each House Team has a Head of House, Assistant Head of House and a House PA. Being part of a House System will be a fantastic way for you to meet pupils in all year groups and settle quickly into our school as well as being able to participate in a variety of house competitions. I am sure that you will be very excited to meet your house mascot!

Our exciting curriculum, delivered by our specialist teachers, will support you to make strong progress in all subjects. There are many exciting extra – curricular activities for you to become involved in and we hope that you take up some of these when you join the school in September.

We consistently post what our pupils have been doing on our social media platforms including Instagram, Facebook and Twitter so both you and your family can see the many experiences that we offer for our pupils by following us.

Finally, I look forward to you starting at our school in September 2024 and hope that you enjoy the last few months at your primary school, wishing you success in your forthcoming SATs.

Yours sincerely

Mr Phillips
