Dear Parent/Carer

Following the message we sent out earlier today, here are the details of what happened:

A man known to the authorities tried to gain access to school site. As a precaution, we followed our school procedures for situations of this kind. We took the precaution of having pupils remain in classrooms.

Although some school property was damaged by the man, because our procedure was followed as we had rehearsed it, all pupils and staff remained safe. The Police arrived promptly and took the man away.

Pupils behaved in an exemplary fashion. Parents who were on site were very helpful. Staff were calm and managed the situation as they had been trained to do so.

Thank you for all of your support in trusting us to manage the situation. We are very proud of the way our pupils behaved in this situation and please pass on our thanks to them, as we will do tomorrow in school. Support will be made available should any pupil require it.

Thank you for your co-operation.

Yours sincerely
