Dear Parent/Carers

As you will be aware, the grades that pupils achieve at A-Level will determine their options after Sixth Form whether their university or apprenticeship choices, careers and future salary. Therefore, it is pivotal that all pupils are given opportunities to succeed.

As we enter the final half-term of the academic year, I wanted to share some important updates regarding your child's future and the support that will be offered over the coming months, to help prepare them for their A-Levels in the summer of 2025.

Mock Examinations

The Year 12 mock examinations are scheduled to begin on Monday 17th June 2024. It is vital all pupils and parents/carers have read the attached JCQ regulations, which we will be following as a school.

Once these mock examinations have been completed, pupils can expect to receive their results during a results assembly on Friday 12th July 2024.

Mock Examination Timetable

Closer to the mock examinations, pupils will receive an individual timetable outlining the dates, times and duration of each mock examination. Please see below a draft version which is subject to change.

Topic Lists and Resources

All Year 12 pupils have received their examination specifications, lesson resources and access to past papers for the above examinations via an email from Mr Hill last week. This has also been shared with them in form time. Please ask your child about their topic lists; these have been produced to help support them with their mock examination preparations.

Equipment

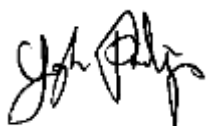

Please remind your child the importance of coming into school fully equipped with a pen, a spare pen, pencil, ruler, rubber and scientific calculator. These basic expectations help set pupils up for a positive experience every day.

Examination Expectations

Pupils received an assembly with Mr Hill last week outlining the expectations of all mock examinations. It is critical that all pupils complete all examinations to the best of their ability in order to provide themselves and their teachers with an honest reflection of their learning in order to support progress with only 12 months to go before their final A-Level examinations.

If you have any questions, please do not hesitate to get in touch by emailing postbox@wednesfieldacademy.co.uk FAO Mr Hill or calling 01902 558222.

Yours faithfully

Mr J Phillips
Headteacher
