Dear Parent/Carer

Personal Development Program
Educational Workshop on Breast and Testicular Cancer Awareness

We would like to inform you that our school nurse will be conducting an educational workshop on Breast and Testicular cancer awareness with Year 12 students. This is part of Wednesfield Academy's comprehensive Personal Development program. This workshop is scheduled to take place on Thursday 11th July 2024 between 9am – 10am.

The well-being and safety of our students is important to us, and it is our responsibility to provide them with accurate and comprehensive information regarding their health.

We understand that discussions around cancer awareness can be sensitive, and we want to assure you that the workshop is designed with the utmost consideration for the well-being and maturity level of the students. These workshops have been delivered to other local secondary schools before.

This forms part of the compulsory Personal Development curriculum students must have access to. Thank you for your understanding and support in this matter. If you have any concerns or questions regarding the workshop, please do not hesitate to contact Miss Howell (Assistant Headteacher) or Mrs Gwatkin (Head of Sixth Form) by calling 01902 558222 or email postbox@wednesfieldacademy.co.uk.

Yours faithfully

Mr Phillips
Headteacher
