Dear Parent/Carer

Year 12 Mock Exams

As you will be aware, the grades that students achieve at A-Level will determine their options after 6th form, whether that be their university or apprenticeship choices and careers, and their future salary. Therefore, it is pivotal that all students are given opportunities to succeed.

As we enter the final half-term of the academic year, I wanted to share some important updates regarding your child's future and the support that will be offered over the coming months, to help prepare them for their A-Levels in the summer of 2025.

Mock Exams – Change to Schedule

Due to the new opportunity for Year 12 to visit Manchester University on Wednesday 19th June 2024, we have been forced to change the mock exam timetable previously shared at the start of May.

The Year 12 mock exams are scheduled to begin on Monday 17th June 2024. It is vital all students and parents/carers have read the attached JCQ regulations, which we will be following as a school.

Once these mock exams have been completed, students can expect to receive their results during a results assembly on Friday 12th July 2024.

Mock Exam Timetable

Closer to the mock exams, students will receive an individual timetable outlining the dates, times, and duration of each mock exam. Please see below a draft version, which is subject to change. The 'mop up sessions' are there for any exams students missed due to unforeseen circumstances.

Topic Lists and Resources

All Year 12 students have received their exam specifications, lesson resources and access to past papers for the above examinations via an email from Mr Hill (Assistant Headteacher) last week. This has also been shared with them in form time. Please ask your child about their topic lists; these have been produced to help support them with their mock exam preparations.

Equipment

Please remind your child the importance of coming into school fully equipped with a pen, a spare pen, pencil, ruler, rubber, and scientific calculator. These basic expectations help set students up for a positive experience every day.

Exam Expectations

Students received an assembly with Mr Hill last half term outlining the expectations of all mock examinations. It is critical that all pupils complete all exams to the best of their ability to provide them and their teachers with an honest reflection of their learning to support progress with only 12 months to go before their final A-Level examinations.

If you have any questions, please do not hesitate to get in touch by emailing postbox@wednesfieldacademy.co.uk putting in the subject 'FAO Mr Hill' or by calling 01902 558222.

Yours faithfully

Mr Phillips
Headteacher
