Dear Parent/Carer

Please find attached the letter to school following the Ofsted 'Requires improvement monitoring inspection of Wednesfield Academy'. The letter can also be found on the Ofsted website on the following link: <https://reports.ofsted.gov.uk/provider/23/141245>.

We are really happy that Ofsted recognises the impact of the changes that our team has made to improve Wednesfield Academy for everyone. In particular, we are really pleased that Ofsted saw that we have 'taken a root and branch approach to improving behaviour' with the result that 'pupils say that it is like a different school'. Pupils told Ofsted that 'now teachers can teach instead of tackling poor behaviour'. Pupils also told Ofsted that 'they feel that they have been part of the improvement process'.

Ofsted identified that 'The trust's ethos places pupils firmly at the centre of improvement planning' and that we 'quickly identified systemic weaknesses' and we are right to be confident in being able to make further rapid and sustained improvements. Ofsted were also impressed with the role that parents play in shaping the future of Wednesfield Academy. Thank you all for your continued support.

Yours faithfully

Mr Phillips  
Headteacher
