Dear Parent/Carer

Saltmine Workshop for Year 7 and 8
Friday 4th October 2024

We are writing to inform you about an important upcoming event at our school aimed at addressing key issues affecting young people today. On Friday 4th October 2024, we will be hosting a workshop led by Saltmine, a renowned theatre company known for delivering impactful and educational performances on social issues for year 7 and 8 students.

As part of this event, students will first watch a powerful performance that explores serious topics such as:

- **Knife Crime**
- **Gang Violence**
- **County Lines**
- **Joint Enterprise**

Following the performance, pupils will take part in a workshop designed to delve deeper into these subjects, encouraging them to reflect on the themes and discuss the consequences and realities surrounding these issues. The goal is to raise awareness and empower our young people to make informed and positive choices.

We believe this is a valuable opportunity for students to engage in meaningful conversations about the dangers they may face outside of school and to learn strategies for staying safe and making responsible decisions.

If you have any questions about the event, or if you would like more information about Saltmine and the topics being covered, please contact the school by calling 01902 558222 to speak to Mrs Howells (Assistant Headteacher) or emailing postbox@wednesfieldacademy.co.uk.

Thank you for your continued support in helping us provide a safe and nurturing environment for your child.

Yours faithfully

Mr Phillips
Headteacher
