Topic Lists & Resources

All Year 13 students have received their exam specifications, lesson resources and access to past papers for the below examinations via an email from Mr Hill (Assistant Headteacher) last week. This has also been shared with them in personal development time. Please ask your child about their topic lists; these have been produced to help support them with their mock exam preparations.

Equipment

Please remind your child the importance of coming into school fully equipped with a pen, a spare pen, pencil, ruler, rubber and scientific calculator. These basic expectations help set students up for a positive experience every day.

Exam Expectations

Students will have an assembly with Mr Hill outlining the expectations of all mock examinations. It is critical all students complete all exams to give the best indication of where all students are at with 6 months to go before their final A-Level examinations.

If you have any questions, please do not hesitate to get in touch by contact Mr Hill by emailing postbox@wednesfieldacademy.co.uk or calling 01902 558222.
