Dear Parent/Carer

Year 13 Mock Examinations

As you will be aware, the grades that students achieve at A-Level will determine their options after Sixth Form whether by university or apprenticeship choices, careers and future salary. Therefore, it is pivotal that all students are given the opportunities to succeed. This letter outlines important details about your child's mock examinations that will begin next week.

Mock Examinations

The Year 13 mock examinations are scheduled to begin on Monday 21st October 2024, all students have now had their mock timetables and we shared the mock examination timetable in a letter to parents on 27th September 2024 that can be found on Wednesfield Academy website.

Once these mock examinations have been completed teachers will mark these papers, pupils can expect to receive their results during a results assembly on Thursday 12th December 2024.

Topic Lists and Resources

All Year 13 pupils have received their exam specifications, lesson resources and access to past papers for the above examinations via an email from Mr Hill (Assistant Headteacher) earlier this term.

This has also been shared with them in personal development time. Please ask your child about their topic lists; these have been produced to help support them with their mock examination preparations.

Equipment

Please remind your child of the importance of coming into school fully equipped with a pen, a spare pen, pencil, ruler, rubber and scientific calculator. These basic expectations help set pupils up for a positive experience every day.

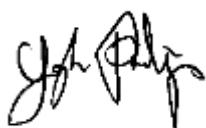

Examination Expectations

Students will have an assembly with Mr Hill outlining the expectations of all mock examinations. It is critical all students complete all examinations to give the best indication of where all students are at with six months to go before their final A-Level examinations.

If you have any questions, please do not hesitate to get in touch by contacting Mrs Gwatkin (Head of Sixth Form) by emailing postbox@wednesfieldacademy.co.uk or calling on 01902 558222.
