Re: Next Steps Day

Dear Parent/Carers,

On Wednesday 11th December 2024 all year 11 pupils will be involved in a Next Steps Day where they will experience what it is to be a sixth form student at Wednesfield Academy. This will take place from 1pm-3pm, where they will experience lessons at level 3 for both A-Level and BTEC subjects offered from September 2025. We also have Walsall College in to support pupils with their next steps gaining advice from another educational establishment within the local area. Pupils will be choosing options from the current blocks over the next few days so they can experience these subjects being delivered.
