Re: Year 12 Study at Home Day

Dear Parents/Carers

On Wednesday 11th December 2024 all Year 11 pupils will be involved in a Next Steps Day where they will experience what it is like to be a Sixth Form student at Wednesfield Academy. Year 12 teachers will be involved in the day and will therefore be setting Year 12 students independent study work to complete at home.

This will also be an ideal opportunity for your child to explore what their 'Next Steps' are going to be. They should consider using some of this time to research possible university courses or apprenticeships. Our school website also has a dedicated section with lots of useful information.

Now would also be a good time for students to contact employers about work experience. Year 12 Work Experience Week is taking place from Monday 14th July to Friday 18th July 2025. We have tasked students with securing a work placement and the earlier they start contacting employers, the better their chances of securing a valuable experience.

Thank you for your continued support and if you have any queries please contact Mrs Gwatkin (Head of 6th Form) by calling 01902 558222 or emailing postbox@wednesfieldacademy.co.uk.

Yours sincerely

Mr J Phillips
Headteacher
