Dear Parent/Carer

### Year 11 Autumn Term Report Letter

Please note that your child's first report for the 2024 - 2025 academic year is being sent to you via the WeDuc app today.

This report provides you with an overview about your child's attitude to learning broken down into effort, attitude to learning and homework.

You are also receiving the following information:

Baseline Grade	This is the grade your child is expected to achieve based in their KS2 SATs data; we use an application called the 'Fisher Family Trust' (FFT) to help us produce this grade.
Mock Exam Result	This is the grade your child received in their recent mock exams. If this is blank, it is either because your child did not complete a mock paper in this subject or there was no mock required for this subject.
Mock Exam Percentage	This is the raw percentage score your child received each subject. If this is blank, it is either because your child did not complete a mock paper in this subject or there was no mock required for this subject.
End of Y11 Predicted Grade	This is the grade your child's teacher believes they will be awarded at the end of Y11 if they continue their current progress path.

We have also shared your child's reading age on this report, and your child's reading age should be in line with their current age. If it is not, then it means they are behind in their reading ability. If this reading age is blank, it means we are due to test your child again soon to update this information.

It is vital you and your child understand the importance of this information.

We look forward to discussing these results with you and your child at Parents Evening tonight that is being held in school between 4pm and 7pm.

If you have any queries, please do not hesitate to contact Mr Hill (Assistant Headteacher) via email at [postbox@wednesfieldacademy.co.uk](mailto:postbox@wednesfieldacademy.co.uk) or contact the school by phone on 01902 558222.

Yours faithfully

Mr Phillips  
**Headteacher**
