Dear Parent/Carer

Year 13 Autumn Term Report Letter

Please note that your child's first report for the 2024 - 2025 academic year is being sent to you via the WeDuc app today.

This report provides you with an overview about your child's attitude to learning broken down into effort, approach to learning and home study.

You are also receiving the following information:

Baseline Grade	This is the grade your child is expected to achieve at the end of Year 13.
Mock Exam Result	This is the grade your child received in their recent mock exams. If this is blank, it is either because your child did not complete a mock paper in this subject or there was no mock required for this subject.
Mock Exam Percentage	This is the raw percentage score your child received each subject. Again, if this is blank it is either because your child did not complete a mock paper in this subject or there was no mock required for this subject.
End of Y13 Predicted Grade	This is the grade your child's teacher believes they will be awarded at the end of Y13 if they continue their current progress path.

It is vital you and your child understand the importance of this information.

If you have any queries, please do not hesitate to contact Mr Hill (Assistant Headteacher) via email at postbox@wednesfieldacademy.co.uk or contact the school by phone on 01902 558222.

Yours faithfully

Mr Phillips
