Dear Parent/Carer

Please note that your child's second report for the 2024-25 academic year is being sent to you via the WeDuc (Matrix) app today so this should be accessible by tomorrow evening at the latest.

This report provides you with an overview about your child's attitude to learning broken down into effort, attitude to learning and homework.

You will also receive a **predicted grade** from all subjects stating what grade your child's teachers believe they will get at the end of Year 11 if they continue their current progress path whilst also considering their attitude to learning and assessment records.

Mock Examinations

We will be writing to you again in the coming weeks with more information about your child's mock examinations that are provisionally scheduled to take place the week commencing Monday 16th June 2025.

It is crucial that your child is equipped for these examinations as it could cost your child crucial marks and success if they do not have the right equipment to answer the questions.

All students require:

- x2 Black pens
- x1 Green pen
- x1 Pencil
- Rubber and Sharpener
- Scientific Calculator
- Protractor
- Highlighter(s)
- Ruler 15cm or 30cm in length

Revision Resources

To support pupils with their first mock examinations we have put together a revision page on our website that can be found here: <https://wednesfieldacademy.com/revision-resources/>.

On this site pupils will find revision materials, lesson content and support how to revise using popular revision strategies. Mr Hill (Assistant Headteacher) has also sent all pupils revision checklists and specifications over email in recent weeks.

If you have any queries, please do not hesitate to contact your child's Head of House via the postbox email at postbox@wednesfieldacademy.co.uk or contact the school by telephone on 01902 558222.

Yours faithfully

Mr Phillips
Headteacher
