Dear Parent/Carer

**Discovery Week – Enriching Opportunities for Your Child**  
**Sign-Up Deadline Approaching**

Following our previous communication, we wish to remind you that the sign-up deadline for our inaugural Discovery Week is fast approaching on Monday 2<sup>nd</sup> June. We encourage you to act promptly to secure your child's place in this exciting and enriching programme.

Discovery Week represents a significant enhancement to our curriculum, providing a unique platform for pupils to broaden their horizons beyond the traditional classroom setting. This dedicated week of activities is carefully designed to foster independence, cultivate new interests, and create lasting memories through engaging and diverse experiences with their peers.

A wide array of stimulating opportunities are available, catering to various interests and learning styles. These include visits such as Warwick Castle, The Safari Park and a visit to Weston Super Mare, while on site activities include options such as hockey sessions with Bloxwich Hockey Club, film club, Cadet taster sessions and many more. The finalised list of on-site activities and sign-up process will be shared after May half term. Places for off-site trips are limited and are being allocated on a first-come, first-served basis, so early sign-up is strongly advised to avoid disappointment.

For pupils remaining on-site during Discovery Week, a structured and engaging programme of activities will also be taking place. It is essential that you still select the 'On-Site Activities' option via the ParentPay app to confirm your child's participation in this provision.

We understand that navigating new systems can sometimes present challenges. Should you require any assistance with the ParentPay system, have queries regarding payment, or wish to discuss any available financial support to ensure your child's participation, please do not hesitate to contact us at [postbox@wednesfieldacademy.co.uk](mailto:postbox@wednesfieldacademy.co.uk). Our dedicated team is ready to assist you in ensuring every child at Wednesfield Academy can benefit from this valuable experience.

We firmly believe that Discovery Week will be an invaluable opportunity for your child's personal and academic growth, and we eagerly anticipate their enthusiastic participation.

Yours faithfully

Mr Phillips  
**Headteacher**
