

YOU SAID, WE DID

Pupil Voice

Pupils Said	We Did
<i>“We want the chance to put forward our ideas for new extracurricular clubs.”</i>	<p>Through our recent School Council questionnaire, you told us you'd like to see more extracurricular clubs that match your interests. We listened and wanted to know more about your ideas.</p> <p><i>We did: You were given the opportunity to complete a questionnaire in your tutor groups in which you were able to put forward suggestions for new and exciting extracurricular clubs that we do not currently offer at Wednesfield Academy. The school council have been hard at work gathering the most popular suggestions and these have been put forward to the Academy extracurricular leader.</i></p>
<i>“We want to improve the corridor congestion and overall safety during lesson changeovers”</i>	<p>You were also given the opportunity to share any concerns around the way in which health and safety is followed when moving around certain parts of the school building, especially during busy times. We took your feedback on board and have made improvements to help everyone move more comfortably and confidently throughout the school day.</p> <p><i>We did: Through pupil voice sessions, we have had the chance to listen to any concerns raised. We have listened to your feedback and have made changes to support and ensure a safe and calm school environment for all pupils.</i></p>
