Dear Parent/Carer

At Wednesfield Academy our motto of 'Changing Lives and Shaping Futures' is fundamental to everything we do. An important element of this is the careers education your child receives from when they first join us in Year 7 all the way through to when they move onto other destinations either at the end of Year 11 or Year 13.

Our careers provision is a massive area of growth in the school, and we are very proud of the developmental work that has taken place this year including the introduction of Take Your Child to Work Day for Year 9 as well as the creation of a Wednesfield Alumni.

Pupils have been able to access a range of external speakers to help support their understanding of careers and their future choices and we are looking for your help in improving this even further.

We are looking to encourage as many parents/carers as possible to support with our careers provision next academic year. If you can support the school in anyway it would be of such benefit to the pupils. This could be either through delivering an assembly or small group presentation focusing on your career and your career journey, providing resources to support with the delivery of our careers programme or offering work experience placements.
