### **Year 11 Autumn Mock Exams**

As you will be aware, the grades that pupils achieve in their GCSEs will determine their options moving forward, which includes gaining a place in our Sixth Form, further education or into an apprenticeship. It will also impact their adult life, the university or apprenticeship choices they choose to make, their future careers and potential future salary.

Therefore, it is pivotal that all pupils are given the opportunities to succeed. This letter outlines important details about your child's mock exams that will begin in a few weeks' time.

### **Mock Exams**

The Year 11 mock exams are scheduled to begin on Wednesday 8<sup>th</sup> October 2025.

**There will be no re-sit / catch up exams during this mock period (just like in the formal exams this summer). If your child misses an exam due to absence or punctuality, they will get a U grade, which will impact on their final mock grade and predicted grades from their teachers. It is therefore imperative that your child sits all their mock papers.**

It is vital all pupils and parents/carers have read the attached JCQ regulations, which we will be following as a school. Once these mock exams have been completed teachers will mark these papers, pupils can expect to receive their results during a results assembly on Monday 24<sup>th</sup> November 2025.

### **Mock Exam Timetable**

Closer the mock exams pupils will receive an individual timetable with their seating arrangements, please see below the draft version at this moment, exams may change if required.

French speaking and listening exams will take after half-term across the 7<sup>th</sup> - 14<sup>th</sup> November.

## **Topic Lists & Resources**

All Year 11 pupils have received their exam specifications, lesson resources and access to past papers for the above examinations via an email from Mr Hill (Assistant Headteacher) last academic year and this email will be sent again this week. This information has also been shared with pupils in personal development time. Please ask your child about their topic lists; these have been produced to help support them with their mock exam preparations.

## **Equipment**

Please remind your child the importance of coming into school fully equipped with a pen, a spare pen, pencil, ruler, rubber and scientific calculator. These basic expectations help set pupils up for a positive experience every day.

## **Exam Expectations**

Pupils will have an assembly with Mr Hill outlining the expectations of all mock examinations. It is critical all pupils complete all exams to give the best indication of where all pupils are at in all their subjects before their GCSE examinations this summer.

If you have any questions, please do not hesitate to get in touch by contact Mr Hill by emailing [postbox@wednesfieldacademy.co.uk](mailto:postbox@wednesfieldacademy.co.uk) or calling 01902 558222.
