Dear Parents/Carers,

We are pleased to invite all Year 13 pupils and their parents/carers to attend a **Year 13 Information Evening on Thursday 26th March 2026**. This event will provide important information about the final stages of pupils' A Level journey and the support available in the lead-up to the formal examinations.

Mock Examination Results

Pupils will receive their mock examination results during the week commencing **23rd March**. This will give them valuable time to reflect on their progress and put an effective plan in place ahead of their final exams.

On the evening, parents/carers and pupils are welcome to arrive from **4.40pm**, when mock results will be available to collect on entry. At **5.00pm**, there will be a presentation delivered by Mrs Gwatkin and members of the senior leadership team, outlining key information, expectations, and next steps as pupils approach their A Level examinations. The evening will conclude at approximately **5.45pm**.

Easter Revision Sessions

The school will be open during the Easter holidays to provide additional revision sessions. Pupils will be invited to attend specific subject sessions where teachers feel further support would be beneficial.

Please note that the school will be closed on the bank holidays:

- Friday 3rd April
- Monday 6th April

In addition, we will be offering a **Study Hall** on selected days during the holiday period. This will provide a quiet, supervised environment where pupils can revise independently in a focused, silent space. Similar opportunities will also be available during the May half-term break.
