Dear Parent/Carer

**Re: Year 11 Information Evening – Results and Revision Resources**

I would like to thank all parents who attended the Year 11 Information Evening last night. Pupils who were unable to attend have been given their results this morning. In addition, pupils have received a question level analysis for most subjects, identifying areas of strength and areas that require improvement. This will enable pupils to target their revision.

For those who were unable to attend, I have attached the information sheet that was shared during the evening. This includes links to a range of resources to support home learning and revision.

Earlier today, we also uploaded the presentation and the English, Maths and Science Bootcamp revision resources to ClassCharts. These resources are designed to provide pupils with well-structured revision materials to support them in the final run-up to their examinations.

If you have any questions, please email [postbox@wednesfieldacademy.co.uk](mailto:postbox@wednesfieldacademy.co.uk).

Yours faithfully
