All Year 12 students have received their exam specifications, lesson resources and access to past papers for the above examinations via an email from Mr Hill (Assistant Headteacher) this week. This has also been shared with them in personal development time. Please ask your child about their topic lists; these have been produced to help support them with their mock exam preparations.

Equipment

Please remind your child the importance of coming into school fully equipped with a pen, a spare pen, pencil, ruler, rubber and scientific calculator. These basic expectations help set students up for a positive experience every day.
