## WELCOME

*Welcome to Volume 6 of the Wednesfield Academy Bulletin – “Proud to Be Wednesfield.” As we reach the end of another successful academic year, we are delighted to present the final edition of our academy bulletin. This concluding volume provides an opportunity to reflect on and celebrate the many achievements, experiences, and memorable moments that have made this year so special for our Wednesfield Academy community.*

*In this edition, you will find highlights of pupil accomplishments, updates from across the academy, and a look back at the exciting opportunities, events, and successes that have shaped the year. We remain incredibly proud of the commitment, creativity, and resilience demonstrated by our students and staff throughout the year, and we are pleased to showcase the many ways our school community has continued to flourish.*

*As we close this academic year, we hope this final edition celebrates the collective achievements of our academy, strengthens our shared sense of community, and reminds us all why we are so proud to be part of Wednesfield Academy. We wish all our students, staff, and families a restful and enjoyable summer break and look forward to welcoming everyone back for another exciting year ahead.*

## THE BRILLIANT CLUB

*We are incredibly proud of our Year 8 pupils who successfully completed The Scholars Programme with The Brilliant Club this year. Over the Spring and Summer terms, pupils took part in university-style tutorials led by a PhD tutor, developing their academic skills, confidence, and intellectual curiosity. As part of the programme, pupils also worked on an economics project at school, exploring the question, “What is money?” The programme concluded with a visit to University of Manchester, where pupils toured the campus, spoke with university students to gain insight into university life, and attended their graduation ceremony.*
